

Aloha,

Resolution 11-307 and 11-308 may very well be the solution to decreasing the number of illegally operated vehicles in Honolulu. I encourage all of you to support it.

I often wonder how my neighbors are able to "afford" the insurance for the number of vehicles they have parked on the street. I'm beginning to think that many may not have the required insurance. Four houses with a total of 13 drivers have 23 vehicles! That is ludicrous.

Support Resolution 11-307 and 308. Help curb these illegally driven cars that clog our freeways and neighborhoods, and add to the unsafe driving conditions here in Honolulu.

Mahalo,
Charleen Kageno
